

10 February 1955

NSC Briefing 10 February 1955

The DCI briefed the National Security Council on the following topics:

1. Kremlin Power Struggle
2. Elections in Andhra State (India). (The DCI's briefing on this topic was general with only occasional references to briefing cards.)

The DCI did not brief on "French Crisis in Sixth Day" or "Offshore Islands", although the cards and background material are included in the envelope.
